Dill Tip: Remember to think deeper when writing on a topic to master the national grade-level standards. Great Dill-Writers always indent, write neatly from left to right, begin each sentence with a capital letter, end each sentence with an end mark, include adjectives, incorporate creativity, write multiple paragraphs with a topic sentence, and write a closing sentence. And Oh! Don't forget to brainstorm or use a thinking map before writing down your thoughts ([download free thinking maps off the Dill Purple Geniuses Website](#)).

Great Job! You are off to becoming a Dill-Sational Writer! Now you can do the Pookie dance! 😊
