

Multiply by 11

Math Vocabulary

- Multiply
- Product
- Times

Math Strategy & Rule: Any number X's 11 = Its twin! Write the digit twice!

For Example; $3 \times 11 = 33$ and $4 \times 11 = 44$

Dill Tip → Remember to think in terms of groups and patterns!

Write the answer for each problem.

1	2	3	4	5	6
x11	x11	x11	x11	x11	x11
_____	_____	_____	_____	_____	_____

7	8	9	10	11	12
x11	x11	x11	x11	x11	x11
_____	_____	_____	_____	_____	_____
