

Preposition List for the Early Learner

Tip: Cut out the below prepositions to create flashcards and place in different positions around the house or a fun setting. The learner will learn how to sight read the words, as well as identify the position.

Across	After	Around	At
Before	Behind	Below	Beneath
Beside	Between	By	Down
In	In front of	Inside	Into
Next to	On	Onto	Outside
Over	Through	To	Under
Underneath	With	Within	Without
