

Pronouns

A pronoun is a way to identify a noun or proper noun without saying its name. **He, him, her, she, we, us, it, them, they, and you** are some examples of pronouns.

Directions: Write one of the above pronouns next to each word.

1. Jim = _____

2. Marsha = _____

3. table = _____

4. Tim and I = _____

5. Tina, Mark, and Michelle = _____
