

## The Living Room

Here you will identify what a living room is used for and what can be found inside a living room.

*Vocabulary Look Up: coffee table, heirloom, relax*

**Read the passage:**

A living room is a place you can watch TV in. A living has a couch and chairs to relax on. Families enjoy spending time in the living room to talk and laugh. Some people even like to entertain their friends in the living with parties and events. Most people like to decorate their living with a coffee table and curtains. You can even find family pictures and heirlooms in a living room.
