

Vehicles

Here you will identify different types of vehicles and what they are used for.

Vocabulary Look Up: Horseless Carriage, vehicles, aircrafts

Read the passage:

A vehicle is made to take you from place to place. There are different types of vehicles from the past to the present. In the past, people rode in wagons, a horseless carriage, and on horses to get around. Many say that Henry Ford helped sparked the creation of what we know as the car, with his creation of the horseless carriage. Today people use several types of vehicles to travel around. Aircrafts, boats, trains, and bicycles are some of those types of vehicles that take us from place to place.
